

|                                 | oortinoato  | or / anaryore    |                         |
|---------------------------------|---|------------------|-------------------------|
| Product Name                    | Retatrutide   | CAS No.          | 2381089-83-2            |
| Molecular Formula               | C221H342N46O68  | Molecular Weight | 4731.33                 |
| Batch No.                       | XR23110301-2  | Date of Mfg      | Dec 25,2023             |
| Reference Standard              | Enterprise Standard   | Retest Date      | Dec 24,2025             |
| Storage                         | Place in an airtight container protected from light ar between 2°C and 8°C. |                  | nd keep the temperature |
| TEST                            | SPECIFICATION   |                  | RESULT                  |
| Appearance                      | White or almost white fluffy powder   |                  | Conform                 |
| Solubility                      | Soluble in water  |                  | Conform                 |
| Water Content<br>(Karl Fischer) | < 8.0%  |                  | 2.00%                   |
| Sodium ion                      | < 5.0%  |                  | 1.47%                   |
| Trifluoroacetic Acid            | < 0.5%  |                  | Not Detected            |
| Acetic Acid                     | < 0.5%  |                  | 0.19%                   |
| Peptide Purity<br>(By HPLC)     | > 98.0%   |                  | 99.26%                  |
| Related Substance<br>(By HPLC)  | Total Impurities(%) < 2.0%  |                  | 0.74%                   |
|                                 | Largest Single Impurity(%) < 1.0%   |                  | 0.50%                   |
| Bacterial<br>Endotoxins         | <10EU/mg  |                  | Conform                 |
| Assay                           | > 90.0%   |                  | 94.54%                  |
| Conclusion                      | This batch meets the internal standards of the enterprise and is qualified. |                  |                         |
